### Description

Gelding 16 years 15.2 hands Rocky - 15.2hh approx 2008 coloured LW cob gelding PC / Jump / Allrounder Rocky is fun lightweight cob, Rocky has been in a long term home doing pony club and jumping recently was sold to a new home after been outgrown and just due to a previous experience owner has decided she is giving up. So we would like a fun home for Rocky. His schooling is basic and steady we've had all ages riding him. We took him out jumping he defo steps up a gear for jumping and knows his job well his careful and would be competitive against the clock. He hacks alone or in company. Snaffle mouthed for hacking schooling maybe needs abit more for someone smaller for jumping him. He does have to be lead in a bridle or chain over nose headcollar else he just takes u where he wants to go. Doesn't pull or even look if wearing bridle or chain. Is great to be around good to clip and shoe. pulls odd face but has got better the more he has gotten to know us doesn't follow anything through just pulls face ! Needs a home when he can be enjoyed have some fun his a lovely Allrounder he will do a little PC test from time to time but won't be a dressage horse .
