### **Description**

Bailey 15.2 2016 Cremello Connemara Gelding (Allrounder) Beautiful Bailey lovely horse to be around and beautiful stamp !! This horse is a true Allrounder fun horse for his age his steady and acts like his been here 20years been showing, polework clinics Xc schooling hacking alone or in company with lead aside or behind Sj been out lots with current owner !! His great in traffic and not a spooky sort he is more of a leg on ride ! Unfortunately he lost abit of confidence with his previous owner and took her for couple of spins round the school, he had done that once here and never again after we pulled him up and reassured him we think he just needs somebody confident who he can't take the mick out of but for this reason he is not for a novice but

someone is going to get so much enjoyment out of this lovely chap !! He'll easily so dressage showjumping and event plenty of talent ! (Also he has had back teeth vet checks) so we have put this down to just training.. snaffle mouthed lovely movement easy to be around type hard to find !! Overly honest advert as we just want right home to enjoy him !
