Mia 14.1 coloured LW cob x mare 2011

£ 5,500

Description

????Mia 14.1 2011 Coloured LW Cob x Mare (Allrounder/PonyClub/RidingClub) Mia is a sweet easy horse to be around She is a lovely smart model ! We have had her in for schooling before sale for a couple of months as she wasn't doing too much in previous home, We've really enjoyed her and she's a lovely little horse. Her flat work is good and she can produce some really nice work although sometimes will pick up wrong lead but the stronger/Fitter she gets this is getting less and less. We believe Mia will produce a lovely little dressage test. Her movements are good and she works correctly in an outline. She enjoys jumping and think we would like it to be part of her new home routine !! Hacking she is great in company but more spooky and abit tense alone. Looking for fun home, not with novice as she did over horse her previous owner! But now she is with us in a routine having fun she really is an amazing fun little mare who who genuinely hasn't put a hoof wrong !! We even find her to be leg on ! I think they had become abit nervous of each other they did do a pleasure ride and a training camp which they both enjoyed! She is a bargain previously owner had everything checked by vet she has very very mild hock arthritis which was treated with a steroid injection oct 2021 hence her low price ! She is going to give someone lots of fun we think she would be amazing at pony club riding club and is fit and ready to go ! £5500ono
