**ARTHUR SHELBY - 15.1 "SUPERCOB" 2017 BAY  
GELDING**

£ 9,000

**Description**

Cob x Appaloosa Gelding 5 years 15.1 hands We have done a bit of everything with Arthur and loved every minute you can potter around putting your leg on or razz him up a bit if wanted get him going more forward! Arthur is a classy cob !! Arthur is a ride and drive and the best of fun ! We haven't driven him ourselves but he has driven as a pair in Dublin ! We have done a bit or everything with Arthur and loved every minute you can potter around putting your leg on or razz him up abit if wanted get him going more forward! We have started jumping him he enjoys this and has plenty of pop in him ! His schooling is basic but balanced and sweet he just needs to start working abit rounder ! Hacking he is amazing doesn't look at anything and I've used him as a buffer for all my young horses same alone or in company and always snaffle mouthed ! I think would like a quiet rider rather than a novice! Just because he needs abit more education! But this horse will turn his hoof to anything we've left him natural as he is good enough to show !! But he would look mega hogged and feather off too !! We are sure he will hunt jump show do lots of activities! Lovely boy to be around and the cutest face! SuperCob safe with plenty in the tank to achieve what the sports horses do !! Not many of those around or becoming harder to find !! We will be taking him out and about his price so could increase!
