Sparrow 7yo 16hh ISH gelding

£ 5,750

Description

Irish Sports Horse Gelding 7 years 16 hands Allrounder / Hack / RC Approx 2016. Sparrow is a pleasure, a really sweet horse to be around, he is a little green for his age but is willing and learning quickly so we like to say more sage than green! Sparrow was broken and produced in Ireland where he hunted and did schooling activities to be sold to current owner 3 years ago where he has had time to mature and blossom into a lovely horse. Owner did lots of natural horsemanship with him including Parelli / Liberty. He is a really lovely character with lots of potential he is more leg on and can be a little unbalanced in canter but is improving everyday. His schooling is basic but he is learning to use himself correctly. He likes to jump we have popped some little fences with him he has been straightforward and easy. He hacks well really good in company slightly less confident on his own but hasn't stepped out of line just something he has done less of. Sparrow has shown to be cold backed at times by raising his back only, so needs a quiet confident rider. Really nice partner for someone to make their own. Lovely attractive horse who deserves the best. He is barefoot currently and snaffle mouthed. £5750 ono (On sale on behalf of owner) Open to Vet No Loans No Trials Based near Leicester Brilliant viewing facilities, No Pressure feel at home and help at hand!
