Description

MR.SPOT 14.1hh Approx Conni X Few Spot Gelding 2019 Spots is so cool he just is a little dude, Everyone loves him. He will ride with child or small adult happily. His schooling is lovely and becoming more established everyday he is ready to go out and do a prelim test. He is brave as a lion whether that be jumping or hacking he isn't scared u say go he goes. Hacking he is great alone or in company hasn't been phased by any agricultural traffics we have seen around here. Will lead or go aside or behind. Popping a course of fences well. Plenty of scope just needs the miles. We took him XC schooling and everything you rode him at he jumped no second thought whatsoever he has a serious jump for a little horse! This really good be utilised and could be produced to event or jump ponies no problem! He is fun safe easy going snaffle mouthed. Still has bits to learn but is so willing and has the best temperament you forget your on a young one! In Ireland he has seen a bit and hunted this past season been to jumping shows and done some pony club, so he has been out and seen a bit which is great! This pony will happily do low level with a child or small adult or could be pushed to release more potential! Everyone's ride but we would like someone who wants to go out and enjoy him. So no nervous/novices only due to ability not ride or temperament. He doesn't ride small and has a nice length of stride. Has a few spots on his bum which also adds to his cuteness! £9750ono Open to Vet No Loans No Trials Based near Leicester Brilliant viewing facilities, No Pressure feel at home and help at hand!
