Description

Obie 16.2 Approx Bay 2020 Clydesdale X Shire Gelding (Heavyweight/Allrounder/Police/RC) Obie is a lovely kind gentle horse, he is lovely to be around. He is handsome and maturing nicely he will still have some growing and filling out todo. He is a heavy weight but still is more athletic than a pure heavy horse. Obie came over from Ireland broken and started. He has now been professionally schooled for a few months. He has come to us straight after his schooling. Obie tries hard for you whatever is asked of him he is walk trot cantering in school he holds himself well does take some leg but isn't a complete kick along. The more forward and balanced he is getting the nicer he is to ride and will be sure to be able to compete in all area's. He has popped a little fence with us and was good and shows great potential on the loose for his size. Obie has been fantastic in traffic he hacks alone or in company front or back and doesn't seemed phased by anything at all! Has done some inhand/Ridden work with obstacles and his attitude to this is brilliant. He is currently unshod low maintenance lovely big boy. As he is young we don't want him going to a novice home and would like a home who understands his type and can continue his education. This stunning young man has a lot back to give ! £10,000 Open to Vet No Loans No Trials Based near Leicester Brilliant viewing facilities, No Pressure feel at home and help at hand! Homes will be vetted References may be asked for ???Call "Sam" on 07833085866" for more info.
