Juno 16.2 warmblood black mare 2017

£ 10,000

Description

Juno 16.2 Approx Warmblood Black Mare (Huge Dressage Potential, Has Jumped previously, Seriously Talented) Juno is flash and has the wow factor. Her moves are incredible. Snaffle mouthed nicely forward. Juno's owner think she would now excel at dressage and this is what she was bred for. Has jumped upto newcomers but unfortunately due to rider horse relationship breakdown her results have been affected. She has been away for jump schooling and hasn't put a foot wrong. Has huge scope and talent and would happily still jump if someone was to take their time with her. Juno hasn't done anything naughty with us but is a lot of horse and a competitive one at that. So no nervous or novice riders for this one, someone who wants to feel power and gears! She can pull a face over the door but is easy to do and nice to be around. Dressage project or showjumping restart definitely has the potential to event !! A lot of horse available here for low money ! £10,000ono Open to Vet No Loans No Trials Based near Leicester Brilliant viewing facilities, No Pressure feel at home and help at hand!
